sense and simplicity

Highlights

Pressurized filter Crema

This special crema filter guarantuees a long lasting delicious crema

Grind coffee and Easy Serving

For your convenience you can choose between ground coffee and Easy Serving Espresso (E.S.E.) pads.

Pannarello

With the pannarello you can froth your milk exactly according to your preferences. Just dip the pannarello in the milk, while slowly stirring the milk with a rotary movement. Froth the milk as long as you want for more or less foamy mikfroth.

15 bar pump

High pressure ensures that the coffe beans entire aroma is always fully extracted

Long lasting premium materials

Philips Saeco Manual Espresso features high quality and durable housing material

Ergonomic in day by day

Refilling coffee powder or water, emptying the filter or the drip tray. All compartments are directly accessible for maximum convenience.

Cup holder

With this pratical feature you can store your cups and glasses right on the machine - always within reach and conveniently stored without taking up space.
